Welcome Back

I hope everyone has had a safe and restful holiday. The first day back at school after holidays is always one of great excitement for the students.

It was wonderful to see all the smiling and relaxed faces of our students at the morning assembly. Everyone looked ready to get straight back into their school work.

Term 4 will be very busy right up to Presentation Day on the 16th December.

This term we welcome Mrs Lyndal Knuckey who will commence as teacher on the 1/2 class as Mrs Grech is away on maternity leave.

Summer Uniform

Every day the vast majority of students making the effort to come dressed in full uniform. The students look very proud when they all are dressed in their uniform as it increases a sense of belonging and builds school pride.

Broad brimmed school hats are compulsory for all students and must be worn at all times in the playground. The school has a “No hat, No play” policy for safety of students.

Arriving at school

Students should not be at school before 9:00am, unless they catch an early bus that arrives before this time.

Your assistance is appreciated in ensuring students do not arrive at school before 9:00am each morning.

Swim School

Swim School will take place at the end this term. The cost will be approximately $60 per student (to be confirmed) to cover cost of pool entry and instructors fees.

If you wish to start paying instalments the school is happy to accept part payments/instalments up until the start of the Swim School. Please enquire at the office to arrange such payment or, if necessary, contact me directly if you have any concerns. Only student who have paid in full will be able to participate.

Walkathon / Shade Cover

The news of the Walkathon success was shared at the end of last term. It really is remarkable the level of support we received from the community and shows that Newling students can attain amazing results when they are motivated to achieve. Congratulations to everyone who supported this great event through sponsorship and participation. $1438 was raised. A special thank you to Anneika who raised $473.

The contractor who will build the shade structure was contacted this morning and soon the students will enjoy a new addition to our great school thanks to their hard work and efforts.
